

JORNADA INTERNACIONAL
INTERNATIONAL
CONFERENCE

2007 is the year of Science in Spain and Women play an important role in it. This conference highlights the contributions made by women in Science, particularly in Environmental Sciences, through their scientific work and excellent research.

In a continuously changing World, women are key players in promoting changes that lead the world to embrace environmental sustainability and equal opportunities for all people in all the aspects of the life.

This conference is an opportunity to learn more about the role and contributions of women in Environmental Sciences.

Colaboran:

Asociación de Ciencias Ambientales de la C. Valenciana

Oficina Ambiental de la UMH

Grupo de Edafología Ambiental de la UMH

Coordina / coordinated by:

Sofía Blasco Gilabert
José Navarro Pedreño

Colaboran / collaborators:

Jose Luis Ruiz Gómez
Juana Botia Aranda
Ignacio Gómez Lucas
Jorge Mataix Beneyto
Jorge Mataix Solera
Manuel M. Jordán Vidal
Cesar Guerrero Maestre
M^{rs} Dolores Almondo Cerdal

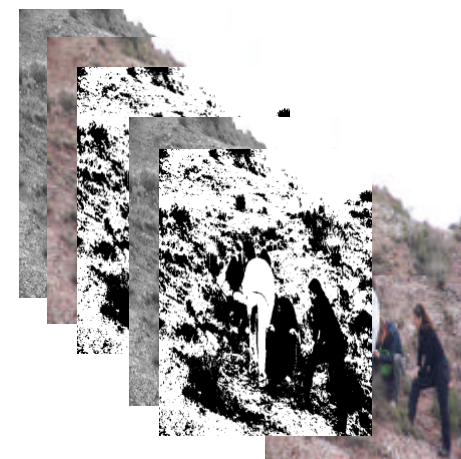

Organizan / organized by:

Departamento de Agroquímica y
Medio Ambiente y la Facultad de
Ciencias Experimentales (UMH)

Grupo Marjal

UMH - GRUPO MARJAL

MUJER, CIENCIA Y
MEDIO AMBIENTE
WOMEN, SCIENCE
AND ENVIRONMENT

SEDE DEL
GRUPO MARJAL

AVD. DEL
PUERTO N° 15

GUARDAMAR DEL
SEGURA

ALICANTE

ESPAÑA / SPAIN

MUJER, CIENCIA Y MEDIO AMBIENTE

INSCRIPCIONES/REGISTRATION

La jornada va destinada a todos aquellos que tienen interés en los temas a tratar, sean estudiantes, investigadores o profesionales relacionados con las ciencias ambientales.

La inscripción se podrá formalizar a través de la página del Departamento de Agroquímica y Medio Ambiente (<http://agromedi.umh.es/>).

La inscripción es **gratuita y limitada** al aforo de la sala de conferencias.

The conference is intended for all those students, researchers and professionals interested in the topics that will be presented.

The conference registration will be available via web: Departamento de Agroquímica y Medio Ambiente (<http://agromedi.umh.es/>).

The registration is **free and limited** to the conference room capacity.

Fecha límite de inscripción 18/07/2007

Registration until 07/18/2007

Programa/ Program:

10.00. Inauguración.

Presentación del video **Minority women in Science:**

"An insightful look at four women scientists, all from different countries of origin, as they describe their experiences working in the United States, confronting issues such as gender and its impact on professional advancement, quality of research, and quality of life". Este video realizado por Karin Koch (Cambridge, MA, EEUU) fue presentado en el *Cambridge Science Festival 2007*.

10.45. Prof. **Fuentsanta García Orenes**. Universidad Miguel Hernández de Elche.

"Sustainable waste water reuse technologies for irrigated land in NIS and southern European state".

Idioma/ Language: español/Spanish

11.30. Pausa-café.

12.00. Prof. **Sucharita Gopal**. Universidad de Boston.

"Environmental sustainability in fragile ecosystems: Issues pertaining to spatial data integration (RS&GIS)".

Idioma/ Language: ingles/English.

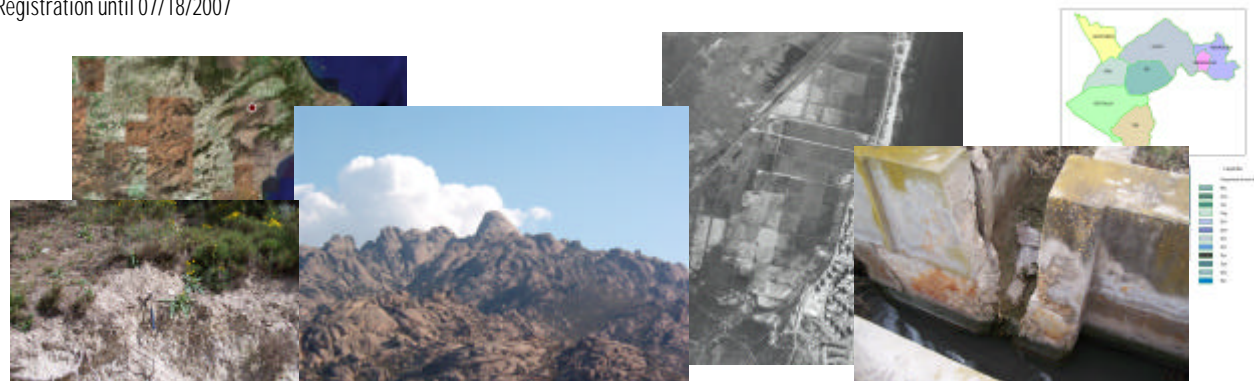

12.45. Prof. **Magaly Koch**. Center for Remote Sensing (BU).

"Multisensor remote sensing of semiarid wetlands: Assessment, monitoring and modeling".

Idioma/ Language: español/Spanish.

13.30 Conclusiones sobre el papel de la mujer en las Ciencias Ambientales.

Se facilitarán resúmenes para el seguimiento de las ponencias/ Abstracts of conference will be available.
